LONG LIVE HUMANITY!

Introduction

We have been deceived. All of Humanity has been deceived. The very foundation of truth, justice, freedom, love and happiness in American was laid upon a bed of shit and lies. For years I thought it was the structure built on top of the foundation that was the problem until I discovered Orion/Draco. The truth is, the American taxpayer has been footing the bill for the genocide of children for the past 80 years. We have also been paying for our own genocide to occur. The Elite and the US Military robbed the American people of trillions of dollars to build VIP fallout shelters also know as D.U.M.B.s deep underground military bases. These bases were also used for the housing of an alien invasion force until the “rebellion,” Trump calls it, I call it The Double Cross December 7th 2018 which was the takeover of Area 51 resulting in The All Seeing Eye from Orion to pay a visit to The Pentagon December 19th 2018, 12 days after. In 2019 Space Force came online and there were “earthquakes” at nearly every single location of the D.U.M.B.s. The plan was Agenda 21 the takeover of Humanity by the aliens from Orion/Draco. This was the timeline shift. Now we are on Agenda 30 timeline which I believe is a nuclear war that will reduce Humanity to under 500,000,000 people. Unfortunately, not many people believe what I’ve been telling them despite all the evidence which is in this book. The true source of Satanism is contact with the aliens from Orion we’ve been having for thousands of years. This is the secret to their secret societies. The Elite have been maintaining something called The Balance. Between God and The Devil, both aliens. I know it is difficult to except. It’s taken me years to except the evidence myself. Secretly half of The Elite have been totally into this Satanic, child raping, murdering and eating nightmare. Some of them are obvious as to who they are while others are very elusive. They were all aware that aliens were going to take over and wipe us out. They have been intentionally poisoning us and fattening us up with high

fructose corn syrup. Something, the alien specifically wanted us to be ingesting and is in every food item. Also, everything is full of micro plastics. They have poisoned the water with metals, fluoride and hormones to change people's sexual preferences. But it's not just that it's chemtrails. It's in the air, it's in the cleaning supplies and anything else you can think of population control. Music, TV, Movies, Drugs, School all to create a more hostile environment so they can lock them up after they've created a gangster wantabe. Endless wars on the people.

All this is true and by design. In order to coverup The Adrenochrome Harvest, they were counting on Agenda 21. Now you know the truth. We are in the middle of The Dark Forest and the aliens have been fighting each other over control of Humanity and The Earth. If we do not unite Humanity over these crimes, we will be lost in the darkness of ignorance forever. I hope this evidence and research reveals truth for all of Humanity to unite.

Long Live Humanity, Ryushin

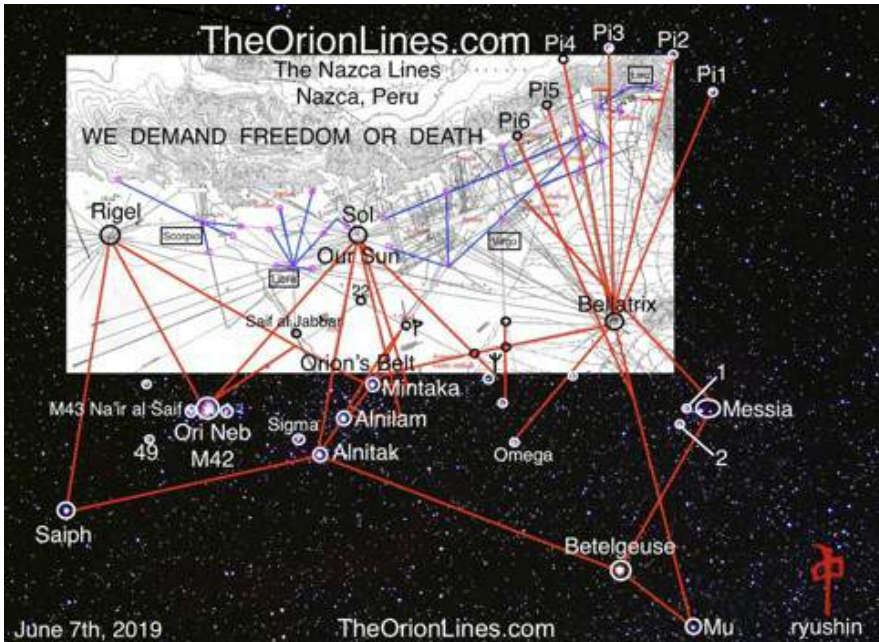

The Nazca Lines Map created by UNESCO World Heritage Center 1994 – 3 main points 5/28/2018 Ryushin

The Nazca Lines are hundreds of intelligently drawn lines in the middle of the Nazca Peru desert. They are allegedly over 2,000 years old, if not older. They stretch across the desert for 132 miles. They are accompanied by geoglyphs or pictograms within the lines. It is said that aborigines drew them. This map was created in 1994 by The World Heritage Site by UNESCO.

In March of 2018, I printed out the map and put them on my desk. The next day, I picked them up and circled the three main points and instantly knew it was the star constellation Orion. Although I was wrong about the first configuration, I was correct with it being Orion. That day, I renamed them “The Orion Lines” because that’s what they truly were. It would take me 5 models, a year and a week in order to get the correct configuration.

Simply it says a lot. First, it says that this is not our planet. The astrology comes from the extraterrestrials. The military and NASA knew the truth about the map. UNESCO is part of the cover-up. The extraterrestrials territory is massive. The Nazca Lines are not unique they’re found all over the world.

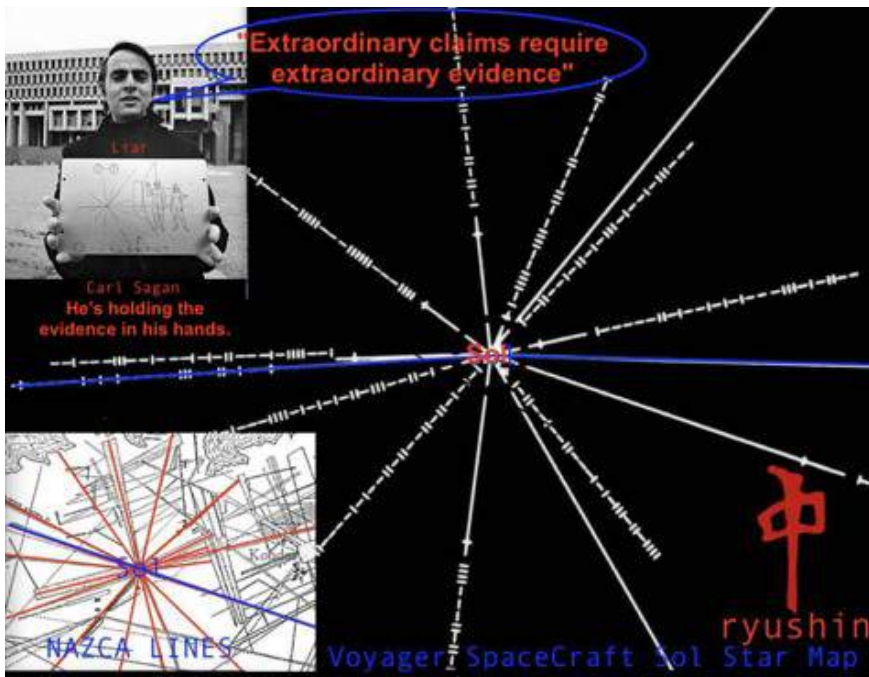

The Orion Lines Theory 6/7/2019 Ryushin Malone

The Orion Lines are a three-dimensional pulsar star map representing The Orion Group's territory markings. They are to ward off other extraterrestrials as to who's planet this is or was, Orion's. We just happen to be right in the middle of their territory. The Orion Group is allegedly a satanic force who takes over star system throughout The Galaxy, if not The Universe. You have to be looking from the prospective of being behind the star constellation Orion, looking through Orion to our sun, Sol and then the three-star constellation behind Sol, Scorpio, Libra and Virgo. What I did was take a picture of the star constellation Orion and flipped it horizontal, then placed the Nazca Lines on top of The Orion star constellation. I completed this map on June 7th, 2019.

The Nazca Lines seen from a greater distance compared to the Hawaii Lines in Alakaha, Hawaii are in the shape of Orion.
Realization Ryushin Malone

Voyager Sol star pulsar map NASA – Connection 4/4/2019 Ryushin

Extraordinary claims require extraordinary evidence and what this told me was that they knew it was Orion this whole time.

This is where they got our sun's pulsar map from and why they put it on the haul of the Voyager spacecraft. It also means that the middle of The Orion Lines is definitely our sun Sol and is correct.

The Orion Correlation Theory by Robert Baural - Correct orientation of The Milkyway Galaxy 4/20/2019 Ryushin

If The Orion Lines are how the aliens view up and down, then there is a correct orientation to The Milkyway Galaxy.

The symbol for Earth comes from The Orion Group's territory markings.

I have solved Stonehenge. Stonehenge was actually an Adrenochrome Harvest clock used to do human sacrifice in reverence to Orion. This is why there is something called "the slaughter stone" at the site. What I believe what would happen is, when the sun fell between the heel stone, Orion would show up to collect their offering that night. The people worshipping them were bringing foreigners there to be sacrificed.

This is why Stonehenge was partially destroyed because The People found out what they were doing, worshipping "Gods" by offering them Human Beings to eat. This is also why Stonehenge was rebuilt in 1901 out of respect for Orion.

The Great Pyramids of Giza. On December 19th, 2018, a gigantic pyramid shaped craft appeared over The Pentagon in Washington D.C. We have three different prospective of the craft on video. It was the very same craft that appeared over the Kremlin in 2009. As soon as I knew they had this type of vehicle, I instantly thought of the movie Stargate. When I looked up the blueprints to the great pyramid, I immediately knew it was a water well and that they were water harvesting the Nile River. They were processing H₂O and ionizing it creating H₃O also known as hydronium to fuel their craft. It is also reasonable to assume that this is The All-Seeing-Eye. Either they are Orion or Draco, we have a need to know.

I have discovered that The Nazi Death Marches, the pathway leading to the death camps are in the shape of Orion. Why?

Because they were trading with Orion, Human Beings as a food and drug source, Adrenochrome for technology since the 1930s. This is how the Nazis got their hands on the UFO technology. It's in the shape of Orion as an homage to Orion. I believe this was payback for Moses taking the Jewish people from Egypt 5,000 years prior under Orion's rule.

I have also discovered that The US Government used tax-payers money to build the identical railway system in the heart of America in secret underground. Why? Because, The USA did not win World War 2. They lost in Antarctica when Admiral

Byrd took the entire Pacific fleet there to flush out the remaining Nazi forces called Operation High Jump in 1947. When they got down there, they were attacked by Nazi UFOs and ET UFOs and lost.

In the Summer of 2017, Gaia TV released The Nazca Alien Mummies to the world. At first, I was in disbelief considering all the fakes out there but as soon as I saw the x-rays, I knew they were real. They found two different species, three 2-foot-tall, small creatures and one 5-foot-tall creature.

Yes, they all have been DNA tested and the results are that they are 32% Human DNA. A fruit fly is 98% Human DNA.

This means they are not from here. the-alien-project.com

I have also discovered The Buddha sitting with the "Gods" in The Hittites culture 1600BC. Obviously, they were aware of The Buddha. I believe that the man and woman are hold one of the tiny super intelligent alien beings to show the people.

Connection Ryushin

These tiny super intelligent alien beings are a part of almost every past culture throughout all known history. The truth is, we've been lied to about alien beings but why? We are simply a slave race. Slavery never ended. We are their slaves, and we are also their food and drug source, Adrenochrome living obviously on their planet.

I believe it is possible that these tiny super intelligent alien beings hail from Sirius B. I say this because the Dogon tribe from Africa knew that they come from Sirius B and they wear the little beings on their headpieces.

Egypt to Mayan connection - Connection 1/6/2019 Ryushin

It's clear to me that these tiny super intelligent alien beings were also doing sacrifice from the depiction below of the taller alien beings Adrenochrome Harvesting their own kind. Were they cannibals as well? The evidence is undeniable. They weren't worshipping the sun disk as Aten. Clearly, that's their vehicle and the aliens themselves are Aten.

The middle image is one of The Nazca Alien Mummies they called Maria. I connected her to an image found on the internet while collecting evidence. They are the same species based on appearance. I have also discovered the same species from the video entitled "EBE 1992 Eiger." They can be viewed at TheOrionLines.com

Images the-alien-project.com - Connection Ryushin

From Phil Schneider's encounter with aliens while building a military underground base in Dulce, NM, he said that one of the aliens rubbed its chest and a blue beam came out and stuck him. He said the force was electrical. From the implants that these aliens have, it is reasonable to assume, that they are energy weapons. It's also direct evidence that Phil was telling The People the truth.

Images the-alien-project.com – Realization Ryushin

The reason why their hands were removed from their bodies was to render their weapons inoperable. Maybe a possible Human rebellion? Maybe an extraterrestrial war? I believe

that The Nazca Alien Mummies were stranded and sought shelter then died in the cave they were found in.

Images the-alien-project.com & New York Post article

In November of 2018, after a year of every major news reporter, scientist, ufologist and ancient astronaut theorist ignoring my claims, I decided to start attacking them with the thousands of images and videos of alien beings I had collected. I sent out 200,000 tweets in 8 months. Two weeks after the initial attack, NASA responded with news articles, December 4th, 2018, "Tiny Super Intelligent Alien Beings may have visited Earth and Humans simply didn't notice them." Unfortunately, they did not include a picture or a reference as to WHICH tiny super intelligent alien beings they were referring to. I, however, did because I was attacking them with the images of The Nazca Alien Mummies weeks before this claim was made.

Evidence God are Extraterrestrials. I have connected the nazca alien mummies to king akhenaten. They are the same species. They are not their children. They were not worshipping the sun disk. They were called Aten, the one true god. 1) They were being called "Aten, The One True God." They were NOT King Akhenaten and Queen Nefertiti's Children. They were NOT worshipping The Sun Disk, it was probably their vehicles that look like little suns. 2) Look at how the aliens are admiring King Akhenaten and Queen Nefertiti by touching their face. 3) Akhenaten - Arunnaki? Tiny aliens may have visited us and we just didn't know: NASA scientist

I have solved what was in the bags. They were seeds. I figured that out from the Aztec drawing of man dressed like a god pouring seeds into the ground. They seeded The Earth with life, Humans, animals and plants.

After Nikola Tesla's death in the 1940s, The FBI confiscated his research under the guises of "national security" from his Manhattan apartment. It was said that in 1899, when Tesla first turned on his invention, the radio, he could hear people talking. It was said that he made contact with them. And at the end of his life, he claimed that he was in communication with extraterrestrials. Why was Tesla drawing UFOs? Round shaped craft? I believe that they showed Tesla, not only the layout of their vehicles, but their functionality as well. These images were finally released in December of 2018 and can be viewed on the FBI archive website. Why hasn't this been in the news? Because the news is owned by Lord Jacob Rothschild.

This was also in the FBI archive... Was Tesla from Venus?
It's probable.

I believe it was for revenge on the Jews for leaving Egypt 5,000 years before. Adrenochrome is a drug created when adrenalin meets oxygen. The aliens and the Elite drink it and it gets them higher than any other drug in the galaxy. It's possible that the drug can prolong aging as well. It made sense considering, why just kill them, when you can kill them in trade for great technology? We have about an hours worth of video evidence as well as documents of the Nazis having UFOs. The Nazi death marches were specifically designed to be in the shape of Orion, to honor the aliens of Orion. I believe they targeted the Jews, because of Moses, leading the Jews out of Egypt under Orion rule. I also believe that there are two types of Jews. The Zionist who still worship Moloch, the alien from Orion and the regular Jewish people who Moses told do not worship Moloch.

In 1954, Eisenhower made a deal called The Grenada Treaty signing a secret and illegal treaty with the alien beings from Orion trading Human Beings and cattle for "medical experiments" for technology. This is why the secret underground railroads in the heart of America are in the shape of Orion. This is the death of the Elite and the reason why we don't trade our own people, Human Beings for a stick of gum. They made the same deal the Nazis made with Orion in World War 2.

This was never about America winning anything or VS The Nazis, or China, or Russia. It has always been about The Elite VS The People and pitting the people against the people. We just woke up at the end of the fight.

The real reason why NASA has Orion, Draco, and Pleiadian in their logo isn't random star constellations. It's who they are aligned with. Who they secretly work with behind The Peoples backs.

There is a reason why Space Force does not have Orion in it. After solving The Nazca Lines, exposing the aliens who come from Orion, I discovered that The Elite were using other countries militaries as a middleman to Adrenochrome harvest Human Beings in trade for technology since the 1930s. Since this realization, it has forced The US Military to end The Grenada Treaty thus resulting in the creation of Space Force and the new logo without Orion.

Orion: Academic Access

Academic Access to Orion, AWE's high power laser facility, is managed through the Central Laser Facility.

The Orion laser at AWE is used to conduct research into high energy density physics phenomena. The building houses a large neodymium glass laser system and a target chamber in which the high energy density physics experiments are conducted. Orion will generate matter many times denser than solid – at temperatures up to 10 million degrees.

Designed primarily to support AWE's core work, Orion is also available for collaborative academic research, access for which is managed by the CLF and involves a similar proposal and review mechanism as adopted for the CLF's laser systems.

Orion delivers up to 8 kJ at 351 nm in 10 f-ns duration beams with flexible pulse-shaping, and up to 500 J in ~0.5 ps at 1053 nm in each of two short-pulse beams, one of which is currently frequency-doubled (at reduced aperture) to give increased contrast.

It has an extensive suite of optical, X-ray, charged particle and neutron diagnostics, many of which are deployable in diagnostic insertion devices.

In William Copper's book, "Behold A Pale Horse," he was talking about a CIA Operation called "Orion." Schoolyard shootings to inflame the antigun lobby. Qanon talks about this as well. Dr. Greer calls it a "fake alien invasion force." It doesn't appear fake from this prospective.

ABSTRACT

A spacecraft having a triangular hull with vertical electrostatic line charges on each corner that produce a horizontal electric field parallel to the sides of the hull. This field, interacting with a plane wave emitted by antennas on the side of the hull, generates a force per volume combining both lift and propulsion.

Adrenochrome Harvesting Realization & Connection Ryushin

The true origin of human sacrifice was done to worship aliens and drink the blood to get high. They were taught Adrenochrome Harvesting by the aliens. I realized that the reason why they changed Travis Walton's story in Fire in The Sky was to show The People of The World how these alien beings have been Adrenochrome Harvesting Human Beings for real.

Also, I noticed that the inside of the ship was a cylinder, which leads me to believe that their harvesting ships are the cigar shaped craft.

For the Mexica, human sacrifice was key to the health of the world. Recent finds show that a vast cache of skulls (decoration below) stood in a temple at the heart of their capital, Tenochtitlan. (An interactive version of this graphic is also available.)

The island capital of Tenochtitlan

The Mexica built their capital city on an island in the now-dried Lake Texcoco. At its apex, the city had a population of about 250,000 and was the seat of an empire that stretched to southern Mexico. The temple complex in the middle of the island was the political and religious heart of the city state.

1 Templo Mayor

Most sacrifices in Tenochtitlan were performed in public at the top of the Templo Mayor. The sacrifice played a vital role in the Mexica's cosmology and may have also helped the young empire control conquered populations.

2 Tzompantli

The Mexica expertly decapitated victims and carved standardized holes in the sides of their skulls so they could be mounted onto the points of a rack called the tzompantli, which held thousands of skulls.

3 Two towers

Skull racks and mortar towers of about 1.7 meters tall and 1.5 meters wide flanked the tzompantli. These were built in phases, with skulls on the outer rings facing out ward, and those on the inner rings facing inward.

Mass child sacrifice discovery may be largest in Peru

The Chimú regularly used sacrifice as part of spiritual ceremonies

Archaeologists in Peru have unearthed what is believed to be the largest single mass child sacrifice in history.

The bodies of 227 victims, aged between five and 14, were found near the coastal town of Huanchaco, north of Peru's capital Lima.

The children were believed to have been sacrificed over 500 years ago.

The discovery comes barely a year after **200 child victims of human sacrifice were found** at two other sites in the country.

Archaeologists told AFP news agency that some of the bodies in this latest collection still had hair and skin when they were dug up.

The children show signs of being killed during wet weather, and were buried facing the sea, meaning they were probably sacrificed to appease the Chimú's gods.

It is unclear in which year the incident took place.

The Chimú resided along Peru's northern coast and were one of the region's most powerful civilisations. They reached prominence between 1200 and 1400 before

High level whistleblowers have been coming forward about the Adrenochrome trade. This was posted by Space Force. This is why we need Space Force. The US Senators have all been briefed about the aliens coming here and Adrenochrome Harvesting Human Beings in March of 2019, a few months after I attacked all of them with the three bodies they call "Human Mutilations" which I have discovered are actually Adrenochrome Harvesting. Senator Blumenthal says during The Space Force hearing in March of 2019, "Our advisories know what "they" are doing, we know what "they" are doing, "They" know that we know what "they" are doing, but The American People have no idea." Well that wasn't entirely true.

After attacking them for months with the adrenochrome harvested bodies, every single senator, the military finally briefed them and now you know.

ANY QUESTIONS?

Every human being's Pineal Gland or The third eye can be activated to spiritual world frequencies and enables you to have the sense of all knowing, godlike euphoria and oneness all around you.

A pineal gland once tuned into to proper frequencies with help of meditation, yoga or various esoteric, occult methods, enables a person to travel into other dimensions, popularly known as astral travel or astral projection or remote viewing.

With more advance practice and ancient methods it is also possible to control the thoughts and actions of people in the physical world.

Yes, it is bizarre, but the United States, former Soviet Union governments and various shadow organization have been doing this type of research for ages and have succeed far beyond our imagination.

Adrenochrome Harvesting Realization Ryushin

Yes, they have been eating Human Beings. These are what the ufologists call “Human Mutilations,” which they are anything but mutilations. In reality, they are Adrenochrome Harvesting. They are identical to the cattle mutilations. If you would like to see how it's done, watch the Fire In The Sky movie alien sense. They restrain the person or animal, then they put a cable down the persons esophagus and into the stomach. A needle will be placed into the pineal gland and while the cable is whipping up the persons intestinal track, the needle is collecting pure adrenalin before entering the bloodstream.

When adrenalin comes into contact with oxygen, it creates Adrenochrome. But they also harvest the blood, organs, glands and nodes as food. The process last for 45 minutes to an hour until death. The body is then returned to the place of pick up. NATO and The US Gov have been covering this up for decades because they have been secretly trading with them. The man on the top left was found in Brazil 1988 and the girl and boy were found together also in Brazil in 2007. There have been many reports of Human mutilation spanning for decades, even thousands of years. This is the true origin of Human sacrifice. As a result, I am running for President to

protect our people, The Human Race from this type of abuse.

In October of 2018, I came across a woman by the name of Katy Groves. She said that she was a part of a child snuff ring located at a military base in Killeen, Texas where the Elite were calling it "Uncle Sam's Snuff Factory" as an inside joke. She said she was brought there as a child and was raped all the way up until the age of 17 years old. She said she lived in Austin and recalled the drives being about 45 minutes to get to this underground military base.

When I google searched Austin, Texas, there was only one military base in the area, Fort Hood Killeen, Texas. She said that she witnessed CHILD GENOCIDE there and not only where they raping, torturing and murdering children but they were ordering children off of menus to have them cooked to be served and eaten as food! Her testimony was incredibly disturbing. I could feel her heart and could tell she wasn't lying. Is it true? The evidence is overwhelming and the great connect between the Elite and the aliens. Army Soldiers at Fort Hood in Texas Are Dying at Alarming Rates Stateside (January 1, 2016 to Present)

In the last 3 years from January 2016 to January 2019, Fort Hood on average lost 35 soldiers a year. If you divide 35 by 12 months, that's an average of 3 soldiers a month. We must find out why so we can prevent these untimely deaths and save the precious lives and futures of these mostly young soldiers. The average age at time of death is 28 years old and each death has a ripple effect on the families, friends, and communities left behind.

Leaked from US Navy

This is a leaked image of the solar flare in September 2018. Don't remember that one? Well that's because they didn't tell anyone to not cause panic. This was leaked from a Navy server. The event lasted a more than a week. The FBI closed down all of the solar observatories because of it.

And they took every web cam video of the sun offline.

Realization Ryushin

Then the hurricanes came for a direct hit over every major continent. It was then that I knew they could make hurricanes using direct energy weapons. Star Wars, lasers. The hurricanes were created with laser weapons to block the solar flare.

The parachute is made out of two durable, lightweight fabrics: polyester and nylon. The parachute has a triple bridge (the bridges that connect the parachute to the backshell). This bridge is made out of Kevlar, the same material used in bullet-proof vests.

The materials used to make the parachute must be strong, yet lightweight enough to fit inside a very small area and to prevent excess weight within the backshell. The amount of space

Fact Check: Has President Obama 'Depleted' The Military?

President Obama has slashed defense spending and will leave his successor with a weaker military force — or so Republican presidential candidates, led by Donald Trump, charge.

THE CLAIM:

"Our military is depleted," Trump said in his foreign-policy address on Wednesday, "and we're asking our generals and military leaders to worry about global warming."

In the past, Trump has claimed the U.S. military under Obama has become "a disaster," and other Republicans have described it as "gutted" since Obama took office.

Whistleblower claims Eisenhower wanted to invade area 51 in the 50s.

Realization Ryushin

When this leaked out on 12/7/2018, I was very interested. Lizard people? Reptilians? Being housed at Area 51? I had no proof that this really happened until 12 days after. I took this image and attacked Space Force's twitter account with it and got an unexpected response. "Recent rumors about "lizard people" escaping Area 51 have no merit. Also, they're called "reptilians". #SpaceForce" I'm sure they are, and this is treason.

Connection Ryushin

A gigantic pyramid shaped craft appeared over the Pentagon on December 19th. 2018. We have three different prospective of the vehicle on video. This told me that they were indeed harboring aliens at Area 51 and had them removed. This told me that the aliens were probably not happy and risked being exposed to find out what these idiots at the Pentagon were doing removing their people.

The same craft was seen over the Kremlin in 2009. We also have multiple videos of this event as well. Interestingly enough, this allowed me to solve the Great Pyramids of Giza from realizing that they actually had these types of vehicles. I also believe that this is the All-Seeing-Eye that is all over our money. Who are they? Orion? The Alpha Draconian?

Someone knows and we demand answers.

This very event led me to solve The Great Pyramids of Giza. They were water harvesting The Nile River to ionize the water to be used as fuel.

They just completed a successful election in the Philippines. I will send you an article on this. They also have extensive experience in many places. I will send you their record. They are one of the top three most successful companies in the world in this kind of work. I will send you some info on them. James Lee will ask if the president has time to meet with them and hear their thought on the Haiti elections.

Trump orders fleet of icebreakers and new bases in push for polar resources

- President orders plan for Arctic and Antarctic in 60 days
- Military experts sceptical of 'icebreaker gap' with Russia

Donald Trump has ordered the construction of a fleet of icebreakers and bases to pursue US interests in the Arctic and Antarctic by the end of the decade in a signal that his administration is going to take a more aggressive approach to **the contest with Russia and China for polar resources**.

Trump issued a memorandum on "safeguarding US national interests in the **Arctic** and Antarctic regions" which calls on the administration to come up with a plan within 60 days that would include at least three heavy icebreakers to be built by 2029, and recommendations for locations to build two support bases in the US and two on foreign soil.

The memorandum appeared designed to expand and inject extra urgency into a longstanding US Coast Guard plan to build three heavy and three medium icebreakers. It suggests the US look into leasing arrangements while the new fleet is being built.

"This appears to be another rapid study to confirm or perhaps expand what the US needs," said Heather Conley, senior vice-president for Europe, Eurasia and the Arctic at the Centre for Strategic and International Studies. "Again, how to pay for it is another question that will need to be answered another day."

The US currently has just one heavy icebreaker, the ageing Polar Star, and one medium. Russia currently has 40 breakers in total, Finland has seven, and Canada and Sweden have six each.

As the **sea ice is melting**, China is also laying claim to Arctic resources, although it does not have an Arctic coastline, by funding various

The truth is The US Government has time travel and quantum time viewing devices. Having time travel actually changes the nature of reality itself allowing us as people to no longer be restricted to this moment-to-moment experience, but allows us to be in this moment, in any moment. This technology changes the nature of reality itself. Time travel is a 'black ball' technology. It is extremely dangerous to the user and everything/everyone else. If one thing is changed in the past, it will affect the present moment and thus our future. Once I realized that they did in fact have this technology, I wrote The Timeline Accordance Declaration outlawing time travel for personal use.

This is project looking glass or the looking glass device. It allows the viewer to see past, present and or future events by warping spacetime. It can also open a wormhole also known as a stargate.

The Orion Cube, also known as The Yellow Book, is also a quantum time viewing device. It is an 8 inch by 8 inch yellow box cube that was a 'gift' from the Ebens. It is said to be in the hands of The Free Masons.

the 1990s, the number of people who have been infected with HIV has increased significantly. In 1990, there were about 1 million people living with HIV in the United States. By 2000, that number had risen to about 4 million. And in 2010, it was estimated that there were about 12 million people living with HIV in the United States. This increase in the number of people living with HIV is due to a number of factors, including the fact that HIV is now a chronic condition that can be managed with medication, and the fact that there are now more people who are aware of the risks of HIV and are taking steps to protect themselves.

Timeline Accordance Declaration Amendment 1

These laws are universal laws which are unavoidable.

Because we have the ability to time travel, something called "The Present Moment" must be established. "The Present Moment" is not just this moment we live in day to day, moment to moment, but an agreed upon time with society and the time traveler or observer in order to return to. This way no one is surprised to see a "Voi" because we know what they are. Time traveling ships.

A "Time Barricade" must be created. This will allow no access into The Present Moment from the past. Why must this be done? Because they have been using time travel for personal gains instead of the advancement of all Humanity and all sentient life throughout the Universe.

A new position must be created called the "Time Protector." A Time Protector must be one of absolute moral standing and moral character to protect Humanity as a whole from catastrophic events. The Time Protector will manage the timeline for only the advancement of Humanity and other sentient beings throughout the Universe.

AIDS/HIV was created as a population control by a Navy surgeon by the name of R.N. Donner. It was released in Africa intentionally as well as the Black, Mexican and gay population.

The cure to AIDS is Cucumber Trichosanthes Kirilowii. It is a cucumber that grows in China.

Lyme is also a population control created by a Nazi doctor in the 1950s at The Plum Island Laboratory on Plum Island, Long Island. This Nazi doctor was very interested in ticks and a part of Operation Paperclip, which was taking Nazis and repurposing them in America. Plum Island is 8 miles off the coast of Lyme Connecticut.

If this is all true, which the evidence is too strong to ignore or deny, what about STDs? What about The Flu? What about Ebola? What about the fluoride in our toothpaste and drinking water? It's making and keeping people dumb.

Demographic crisis: in 5 years, China's birth rate has plunged 40%

LOUIS T. MARCH

August 25, 2022 10 Views 0 Comments

China is in big trouble. Now before any of you Sino-phobes start high-fiving about this, just remember that China is not alone. The US and Russia, among others, are also in trouble, but that's beyond the scope of today's titillating treatise.

China's challenge? Demographic collapse. Consider: China's birth rate has declined 40 percent in the last five years. The government just released 2022's fertility rate, 1.09, one of the world's lowest.

Last year China had only 946 million births; its population decreased by 850,000, the first decline since Mao's Great Leap Forward, which was the largest non-war-time slaughter ever. More than 40 million perished from starvation, state terrorism and disease.

Fewer than 8 million births are projected for 2023, the lowest since wartime 1939.

Also in 2022 the number of Chinese women aged 25-35 (official childbearing age) **decreased by four million** and there was the highest recorded death rate since the Cultural Revolution (1974).

The UN forecasts that China will shrink by 100 million by 2050, triple its projection of four years ago.

A recent *South China Morning Post* headline spelled it out in no uncertain terms: "China population society must accept new norm of low births to better respond to demographic crisis, professor says". The professor is Fudan University's Shen Ke. He says there will be no meaningful recovery in fertility and that planning should proceed accordingly.

Last week *Time* ran a similar story saying China must "accept the new normal" where "a sole young adult must become the breadwinner for not only his two parents but also his four grandparents." The chilling message is: Children are becoming scarce. Get used to it.

I believe the reason why 9/11 happened was to cover up the paper trail leading to The Secret Space Force.

On 9/10 Rumsfeld exposed The Pentagon for missing 2.3 trillion resulting in 9/11 the very next day.

I believe the pentagon and world trade center 7 were the real targets to destroy the paper trail leading to the aliens and The Secret Space Force.

Why was The WTC built aligning to Orion's belt? If you haven't figured it out by now, the aliens come from Orion and The Elite have been worshipping them and working for them to keep us slaves.

(57) **ABSTRACT**

Physiological effects have been observed in a human subject in response to stimulation of the skin with weak electromagnetic fields that are pulsed with certain frequencies near to Hz or 2.4 GHz, such as to create a memory syndrome. Many computer monitors and TV tubes, when displaying pulsed images, emit pulsed electromagnetic fields of sufficient amplitudes to cause such stimulation. It is therefore possible to manipulate the nervous system of a subject by pulsing images displayed on a nearby computer monitor or TV set. For the latter, the image pulsing may be introduced in the program material, or it may be overlaid by modulating a video stream, either as an RF signal or as a video signal. The image displayed on a computer monitor may be pulsed effectively by a simple computer program. Five certain monitors, pulsed electromagnetic fields capable of exciting memory syndromes in nearby subjects may be generated even as the displayed images are pulsed with substantial intensity.

A theory of the creation of our Universe.

Imagine emptiness... Now imagine a wormhole aperture appearing, then spilling out light and energy forming a large ball big enough to fit every star in the Universe in. I call it, 'The Whitehole.' Then when it has become too dense, it explodes, known as The Big Bang. I believe our Universe was born by a blackhole from a prior Universe in a Multiverse.

All I can do is examine the evidence and deliver it for you in order for you to ask yourself, is this true?

Be still and don't forget to breath.

From personal 5D work, so I have been shown, The Multiverse is actually inside something called The Vetroverse. The Vetroverse looks exactly like the Tree of Life pictured left. The Multiverse looks like an endless sea of balls sitting together in an illuminated and endless hall way.

I knew they had time travel. Saint John was shown a possible future which did not happen. Saint John was from the 1500 hundreds. This alignment only occurs every 7000 years. How did Saint John know this alignment was going to happen? Time Travel. They took him and showed him a possible outcome.
